Local government community enhancement project

UDOT will partner with Taylorsville to provide enhanced transportation and recreational options for city residents. This project adds an additional section of bike trail/route in Taylorsville from Winchester Street to 4800 south near the Jordan River. The route/trail will be provided on existing roadway and includes widening a portion of the roadway from Winchester street to Bennion Street (approx. 6200 South) to provide room for a bike trail/route, re-striping the roadway and installing new signage, curb, gutter and driveway approaches for some residents.

BUDGET: \$.5 million, including federal Congestion Mitigation Air Quality (CMAQ) funds matched by Taylorsville City funds.

**This is a local government project with UDOT oversight.*

NOTE: *Schedule information listed above is estimated and could change without notice based on funding, scheduling constraints, stakeholder issues, and other unanticipated project elements.*

Municipalities: Salt Lake County, Taylorsville City
